QR Code Link to This Post Hey y'all! My name is Denny and i am a 25 year old bassist who has just arrived in Nashville and am looking to play with artists and bands. I am willing to travel to another city/state under the right conditions as i have a completely open schedule. I've also got my passport and ready for international shows as well. I have years of experience touring around the state of Florida playing styles from country, rock, blues, jazz, r and b, soul, disco, funk, top 40's, pop and latin. Preferably, i'd like to find a group who is on tour or planning one, but i'll play any gig. I have pro gear, an easy going personality, and will adapt to any style your group wishes me to play. I focus on groove, feel, dynamics and harmonic foundation. I've got some videos on Facebook and Instagram. Shoot me a text at or respond to the email with any leads you may have. Thank you for your time, much!
