QR Code Link to This Post I am looking for someone to help with house cleaning. Someone who has some cleaning experience and is honest. The house is very organized. I just need someone to help with basic cleaning. It would be good to find someone I could call on a regular basis. However if you are just available for a one-time cleaning, that is ok. The pay is \$8 per hour (non-negotiable). Supplies are provided. Please introduce yourself by email.
