Poppy red (orange-y red).

At once quintessentially 1960s and so right now. The Yardley Flat is an effortless style that brings mod polish to any wardrobe.
Made of smooth patent leather, it's detailed with a tonal square plaque, which lends a subtle geometric touch to its minimal silhouette.
These have only been worn ONCE. The only sign of wear is on bottom. No scuffs or scratches.

They come with the box

Color: Poppy Red (Orange)

Size Women's' 7.5
