QR Code Link to This Post I have a very specific and nostalgic and sentimental toy that I need painted/restored/customized. Some of the colors have rubbed off and run together, and I am looking for someone who is very meticulous/steady-handed/detail-oriented/skilled/knowledgeable to a) help with this restorative painting project, b) add a custom painting/image/logo to the project.

I want to make sure I hire the right person: Please reply with detailed information about yourself and your skill, including any portfolios or references or samples of work. SERIOUS REPLIES ONLY.

TO BE CLEAR: I AM NOT LOOKING FOR A HOUSE OR AUTOMOTIVE PAINTER, I AM LOOKING FOR AN ARTIST-TYPER PAINTER. .
