QR Code Link to This Post My Black & White Rabbit was stolen from his rabbit hutch sometime between late Wednesday evening and Thursday of this week. Please see attached pictures. He is a neutered male and is a little over a year old. I'm sure he is terrified and I really miss him very much! If anyone has any information on him, please contact me! I want him returned and there will be NO QUESTIONS ASKED!!! I am offering a reward for his safe!!!!
