QR Code Link to This Post Hey there, what's up? WM here. I drive a 2017 Gray Hyundai sonata in great condition. I will be in the Columbia area tonight offering local and not so local rides at an affordable price. Smoking in the car is ok! Don't be surprised if my cool female friend tags along. She is a good DJ and great conversation. Im in the Columbia TN. area. Call or text for an affordable ride anywhere!
