QR Code Link to This Post This precious little baby was found on the road when he was only 4 weeks old.. I bottle fed him, got him healthy and litter trained and he is now 5 months old and needs a loving family. He has not been outside. He is super cuddly and full of energy... He is loving and sweet, very playful and great with other animals (i have a dog and a cat)....I have a small place and cannot keep him there. I never named him so I wouldn't get attached :/. Text me or email me if you are interested in making him an Addition to your family. :)
