QR Code Link to This Post Puurrrfect Paws Rescue has 2 male Bengals ready for adoption. We have Paws who's almost 1 1/2 years old and we have Memphis who's about 2 years 8 months old.

Paws is a grey and black bengal and Memphis is brown and black. Both do not do well with other cats. It takes a while for them to get used to another cat.

Adoption fee is \$75 each

They have been neutered and have their shots and have been given flea meds and worm meds.

These are at a rescue. We are a 501c3 Rescue. They are ready for adoption

I don't know why you keep flagging our posts. If you have a problem then email us. We are a rescue looking to find homes for these rescue cats
