QR Code Link to This Post I'm a nanny with lots of experience, a love for children and tons of patience. I'm seeking a family that is in need of a mature, responsible, reliable and conscientious nanny who has worked with kids of all ages for over 35 years. I'm a non- smoker, former teacher and I have immediate availability. Please contact me to learn more about me and tell me what your needs are for your children. I look forward to hearing from!
