QR Code Link to This Post Giant 4ft Rolling Cargo Bag

Huge duffle bag that was used once to move across the globe. Bag is nearly 4 feet long and made the journey easy with tough wheels, handles at both ends and top, and reinforced straps across the body width to reduce strain on the zipper for full packing.

Bag has one pocket on the front and reinforced protective scrape guards on the bottom. Height of bag when upright makes it easy to pull when walking. Wheels roll well. Dimensions are: 42" X 22."
