If the first session goes well, I will be open for repeat sessions.

I am looking for a cute Hispanic or Caucasian female that is either slender, athletic, or of average body shape that is no more than 5'7" with size 6-8 feet, in the Phoenix area or surrounding areas.

Applicant will wear heels (that I will provide) for a photo/video session lasting approximately one (1) hour.

If interested, please do the following:

- +Email me photo(s) of feet/legs (without shoes). Pictures are to get an idea of what your feet look like.
- +Email me photo(s) of body/face. This is to make sure you meet the body type I am looking for.

We will meet at either my place or some other public place, where I will do the video/take pictures. I will mainly capture the feet/leg area.

THIS WILL BE DONE IN A SAFE ENVIRONMENT. NO SKETCHY.
