QR Code Link to This Post Good evening,

I am a handsome, very tall guy (6'5") who needs a massage every week or two. I am currently going to a thai massage place in old town, which is great. but, I would really like to not have to leave the house and enjoy the comfort of my home.

Is there a Thai woman (or asian gal out there that knows Thai massage techniques) that would be willing to give me a massage, \$60/hr but usually 90 minutes. I even have a massage table I use for stretching so no need to bring one along.

Please send me a note to express interest.

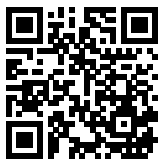

Happy Saturday!
