QR Code Link to This Post I need someone who can: shop with me, pick up gifts and help wrap them (short list - should be easy)  
 decorate the interior of my home (needs more garland and something else - not too much)  
 help shop and prepare for holiday party (a trip to Trader Joe's)  
 serve as party help, bartend, refill food, etc. (you must love people)  
 take returns to the box store for shipping (knew I shouldn't have bought on-line)  
 perform light housekeeping if necessary (take out trash, vacuum, etc)  
 and generally help me spread holiday cheer!

This is a part time gig, an hour or two at a time during the day to avoid after work crowds, except for holiday party on the 16th (arrive early -5:30ish - to prepare and stay later -10:00ish - to help clean up only that evening). And it's not that I am lazy, I am a disabled female and could really use the help.
