If it didn't need doing; we'd be out of a job!

B.) We love a challenge!

C.) Nobody's perfect! We are all run ragged, work too much, tons of obligations, who has time to clean?? and

D.) We've seen it all! (Really!) We specialize in difficult cleaning jobs. Show us what you've got and we will take care of it completely, efficiently and without judgment.

â—• Size of your home / office / space being cleaned; (# of bedrooms, # of bathrooms, square footage, etc.);

â—• Would you like for us to use our cleaning products, or yours? (We use standard cleaning products that we have found to be most effective, most are natural, some are not, and we use bleach for bathrooms unless otherwise requested);

ESTIMATE: We can give you a rough estimate based on your description. If we see it, we can give you a more accurate estimate.

Cost and time involved, we can give you a more accurate estimate. We provide a free estimate.

ADVICE: "Free Estimates" are not really free! Our providing estimates via phone and email helps us to keep our rates low. The "free estimate" other cleaners provide just

gets made up by their high rates and added charges to clean certain items (windows, appliances, etc.). We don't hide charges, we keep rates low, and we don't double

dip! Charging to clean an item while charging hourly is you paying twice! MINIMUMS: We have a two-hour / three-hour minimum per job (depending on distance).

meaning either two/three hours of work or if there is not enough work to total two/three hours, then the cost is still a total of two/three hours. We strive to find enough work

to fill the full time - not out to cheat anyone, not our style! PAYMENTS: Cash only, sorry - NO CHECKS. We apologize for any inconvenience this may cause and we

appreciate your understanding! WE LOOK FORWARD TO HEARING FROM YOU!! Find us on Facebook! Check out our real reviews from past and current clients!
