All my ombre hair color is performed using tin foils. We must first find a pic of exactly what you want and what's best. The ombre has a blend from the base extending out to a much lighter hair color on the ends. My site shows a lot of my work including my perfect classic highlights. Ombres are \$95 and 3/4 hair color highlights are \$90 full \$115. I will do the service myself. Edward <http://www.edwardboye.com> I also do a Brazilian Blowout or Keratin Treatment for \$150 complete. I also work Sundays and Mondays.
