QR Code Link to This Post I am a SF and East Bay based photographer with over 15 years of experience. I am looking for women and men who are comfortable in their own skin and who would not mind being photographed in the nude as part of an artistic project in the works.

Interested parties will need to send the following information or you will not receive a reply.

- -Pictures. Yes I am going to need to see what you look like. That blurry picture from 8 years ago isn't going to cut it, so send at least 1 full body and one face picture to be considered.
- -Your availability and daily/hourly rates. I need to know when to schedule you and how much you want to be paid, if anything for the shoot.

Thank you for reading and I look forward to working with some interesting.
