QR Code Link to This Post I am looking for a few experienced bartenders. You MUST be certified. If you are not already, it's a simple online test for about \$8 Also you must have all your own bar tools (pourers, wine opener, bottle opener, muddler, spoon, shaker, ice well, citrus squeezer, jigger, bar towels, ice chest, etc.) white shirt, black shirt, black tie, black slacks and black shoes.

If you do not have reliable transportation please do not apply. Public transportation will not work for this position.

You will be given all the information for you will need for the event and will show up at the event on time, set up your bar, serve the guests, clean up your area and collect your money at the end of the event. If you are not comfortable doing this by yourself this will not work for.
