QR Code Link to This Post i am a drummer. i have national credits have toured internationally la dee da dee da....my idea is to put a hot swing band together for fun but of course to make some dough as well...upright , guitar , steel , possibly twin fiddles, keys , vocals...small amps and sensitivity to the feels and dynamics of yesteryear ....i just want to play really high quality music.... players with a jazz background that keep it (somewhat) in the background is good....if you're interested at all reply with a name and phone and maybe a link to some youtube vid you're in.....thanks

p.s. i am 63 yrs. old so age deffnuttly aint a
