QR Code Link to This Post Merry Christmas! Here are a couple of early presents to get you through Advent. I recorded a version of "God Rest Ye Merry Gentlemen" and coupled it with a 1910 silent film version of Dickens' "A Christmas Carol". I used my Ibanez AFJ91 for the rhythm guitar and for the first and last solos and my old frankenslide guitar for the slide part.

Next is my take on the Peanuts classic, "Christmas Time Is Here". The rhythm guitar is my Danelectro DC 59 and the lead guitar is the AFJ91, again. The video is me making a watercolor copy of a stained glass window of The Madonna and Child.
