QR Code Link to This Post 5 acre parcel of land at the end of Andrea Dr. There are mountain views from a higher point on the quiet and woodsy home site with currently only one neighbor. Two sides border large parcels (one is 10 acres and the other is 40 acres) for even more privacy. Natural gas is to the property, buyer would need to assume the cost of approx 5K if hooked up to (over the next two years).
