QR Code Link to This Post Salutations! I'm a young man currently employed in the Medical field with a good job and decent pay. I would like to find a roommate in the Palmer area, as I work in the ER at "a hospital". I would also request that you are Clear friendly, or you don't mind me using my clear in the residence. I'm very discreet about my clear use, and I will show you the same courtesy. Please let me know if this sounds like!
