QR Code Link to This Post Looking for a responsible person that is clean, has own vehicle, job as a roommate. Has to be okay with dogs and I have a 9 yr old that lives with me 2 weeks at a time. Rent is 700, that includes all utilities. Only need to share the grocery bill. Security deposit of 300. Prefer a female but wont be picky about a man. Will do a back round check and need professional references. Please either email me or text me foe further questions. The room will be available after January 1st.
