QR Code Link to This Post Hi guys I am a professional photographer new to the area and I have a fantasy photo shoot December 22/23, 2017. The make up that I am requiring will need to be coordinated with me to go along with the themes. I have 2 female models and I am looking for someone who is talented with beauty make up and fantasy. This will be an all day shoot most likely since one session will be fantasy and the theme is ice and spring. (I will explain later) The following session will be vintage themed. Very retro 30s-40s era.

You do not have to be professional, I only care about talent. If you can do hair as well as make up, please let me know and send me samples of both.

You must be 18 years or older. Please include a detail of your fees and how much you charge. By the hour? By the person?

I have more shoots coming up in spring of 2018. This could lead to more potential work for senior and wedding shoots along with my spring fantasy session.
