

Medium Sala Delta harness with nanolok (100 USD)

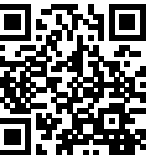

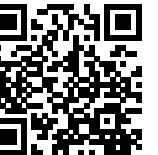

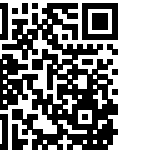

Location **Colorado**
<https://www.genclassifieds.com/x-751650-z>

QR Code Link to This Post Listing is for a perfect condition medium sized sala harness with one nanolok retractable.

Worn only a few times and I'm getting out of construction and going back to school so it's a pretty sweet deal.

The harness new is around 160 and the nanolok are like 140 so I don't think 100 is that unreasonable, comes with a quickpouch and a hammerloop if ya want.
