QR Code Link to This Post I am a 54 year old single female. I am interested in taking care of children in my home Monday through Friday and some weekend hours will also be available. I live in a nice 2 bedroom apartment at the Links on Rainbow Curve located on Airport Boulevard. I love children, especially between the ages of 2 and 5 and have 3 nieces in that age group who I truly cherish.

In the past I have spent my days working in offices or in retail establishments. I broke my knee a few years ago and have a small limp on one knee so I'm incapable of standing up for long periods of time. A big part of the reason I am choosing to take care of children is to become more active myself and to help someone else in need who can't afford an expensive daycare.

Depending on the age group, I plan on making crafts with the children and performing preschool activities on a daily basis with the children. I will have a learning activity schedule set daily and a schedule for arts and crafts. I am allowed to keep 5 children in my home, however 2 or 3 children is the amount before to allow each of them to plenty of attention. Meals will be discussed during interviews. Please contact me via the reply button above. Once contact has been made I will allow you to see my facebook page and photo's so you can see the type of people I associate with and all of my family members that live in the area.

I have two brother-n-laws who are employed at Walmart Headquarters as Directors. I also have a sister who works for a Walmart Vendor and another sister who is a stay at home mom. My mother and step-dad also live here and are both retired Postmasters from the Bella Vista Post Offices.

I also raised two children of my own. Both are adults now and I have no grandchildren as of right now so since I love children so much I would love the chance to help someone who can't afford these expensive daycares, but would like to have there kids enjoy arts and crafts, educational sessions and watch movies and cartoons, of course. Thank you so much in advance for taking the time to see if this would be suitable for you and your child or children.
