QR Code Link to This Post E-Z Frame Structure Kits! We have storage shed, greenhouse and chicken coop kit sizes ranging from 4X6 up to 10X20 as well doghouse size kits and larger custom sizes. You can also purchase brackets individually to create your own project! Quick Overview All of our E-Z Frame kits include: E-Z Frame Brackets (number of brackets vary per kit) Easy to follow Instructions and lumber cut list Note: Lumber and cover material not included Made in the USA! You can find all of our Kits and Their Prices at: <http://www.EZFRAMEUP.COM> Details E-Z FRAMES KITS: Our easy to assemble E-Z Frame kits make it easy for anyone to assemble in less than a couple of hours, with no angle lumber cuts necessary. Think you might need to move it in the future? The structure is fastened using screws making it just as easy disassemble in the future. Kit as shown here comes complete with all brackets - made of UV resistant, very durable plastic resin material and easy to follow assembly instructions. Just grab some 2X2's (commonly known as a "2X2" - 1.5X1.5 actual dimensions), a box of wood screws and a couple of hinges! Once assembled, cover in your choice of materials: plastic, tarps, siding, metal, Plexiglas or chicken wire depending on your intended use. The basic E-Z Frame structure can be used for other purposes also..... hunting or ice fishing cabins, tiny houses or a playhouse, parade floats, theater backdrops and prom gazebos. Or buy individual brackets and custom design your own! CONTACT US: You can find all of our kits and their prices at: [EZFRAMEUP.COM](http://EZFRAMEUP.COM) We are always available for questions. If you do not see a size that suits your needs on any of our listings, please feel free to email us to place a custom.
