QR Code Link to This Post We are needing to rehome our kitty. His name is Sage, he is 8 months old. He needs a home where he can get lots of attention and play time. He is good with kids, dogs and other cats. He has all his shot records and physical forms. Asking for a \$75 rehoming fee to cover vet check up and all the shots (you would have to spend much more if you had to get all that)

Also if interested we can sell you a cat tower and everything you need for a cat, wet food, dishes, laser, litter box with enclosure, litter genie with refill, kennel \$75 extra for.
