QR Code Link to This Post Multiple lot of 8 push lawn mowers! Half (maybe more) just need a tune up and others are good for parts. Most are from estate closings. In the past I would tune up or repair and resale. But recently I haven't had the time and they're piling up! I'd like to sell to someone that can fix and sell or use them rather than me just scrap. \$125 for all! OBO (Not all mowers are shown in this add. I will post pics asap.) I also have a couple of lawn wagons, couple of pressure washers and a few other small engine items if anyone's!
