QR Code Link to This Post I have a mint condition Galaxy S8 64gb model that was purchased new unlocked from BestBuy. Most of my other devices are apple products, so I'd like to trade for an iPhone 7 or iPhone 7+ that's 64gb or bigger and on AT&T. I will only trade locally, no shipping. I will also take 700.00 as an alternative, cash only.

My phone will come with the original box, charger, cable and headphones as well as a quadlock case. Your phone will need to have the correct lightning apple headphones, charging brick and lightning cable. I have had the phone for about a month and it's been in the case the entire time I've had it. It's very fast, very reliable and very sharp looking, but sadly doesn't work well with my apple watch, apple tv or macbook. I do not need help selling / trading my device and I will not respond to spam. Serious trades /purchases only. I will mark any requests for shipment / paypal as spam and report.
