QR Code Link to This Post Celebrity hairstylist looking for female & male models willing to transform their hair. All services are completely complimentary but you will need to be open to the color transformation needed to create for that collection. If interested please submit a picture of your current hair situation so we can correctly place you in the collection we are creating. Must be open to coloring hair and cutting with no limitations. This is for content being created for a media company. As stated all services are free. This is an on going collection in need of 30 total hair models both male & female. If interested please submit your pictures and info for consideration. Thank!
