QR Code Link to This Post Rare two-bedroom offering at Shepard Place, a classic brick building close to Harvard Square and Harvard University. Set back from the street, this second floor residence enjoys a lovely view of the landscaped front courtyard. French doors open onto the spacious light-filled living room. Both bedrooms are good size and nicely situated apart from one another. Larger entry hall is really an extra room. The kitchen has ample cabinets, granite counter and new sink & new refrigerator. There is an updated bath with full-size window and shower-tub. Additional highlights here include front and rear exposures; 9'-0" ceiling; replacement windows throughout; private lockable storage. Common laundry and bike storage area on lower level. Enjoy easy access to the many shops and restaurants between Harvard Square and Porter Square. Walk Score® 91 - "Walker's."
