QR Code Link to This Post 94 Jaguar XJS V12. ALL ORIGINAL! This is a beautiful car. Green Body, peanut butter top and interior.

The Good: Runs and drives. No engine or transmission problems. Great performance. Beautiful inside and out.

The Bad: Needs a little TLC, Interior has Normal wear. The car hasn't been driven often. The battery tends to drain which is common for these models and would probably be remedied if it was driven more.

The car is priced to sell, and I am firm on the price so please serious inquiries.
