Being a Mindful Typist, smart enough to confidently place data, skilled in taking screenshots, Microsoft office, excel, email.

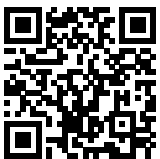

It is an online position and we are looking for more 'secret' 'shoppers' in this county!

What you must have for this Job include: access to a desktop, laptop computer or mobile device and the internet. This part/time Job offers the opportunity for each worker to make his/her own hours and work with very little time constriction. We require each of our workers to try out an array of online site trials, and products at no expense to them. Because of the way its done, the bulk of our analyzers are working part/time and are putting themselves in a position to make an additional source of cash without taking all their time sitting in front of their internet devices.
