QR Code Link to This Post I am a driver for the popular ride share company "U". I am familiar with their rates and will be establishing my own business. I enjoy helping people and my images reflect that. Actually, I believe the Customer is the best part of any job.

Benefits include:

- personalized service (by schedule)
- Rates likely lower than the "U"
- Safe driving
- Clean car
- "Mother approved" music (she'll probably like it) at all times
- Discounted rates for passengers who refer to others.

Rates:

- New Orleans to Slidell \$40 (flat)
- New Orleans to the North Shore \$40 (flat)
- New Orleans (local) \$7
