It's that time of year in New Orleans!

There's still time to make that super-special, one-of-a-kind gift for the holidays even if you've never touched a machine before.

You can get the basics down by Christmas and start working on costumes and floats on New Years!!

For those of you that are looking for the more practical uses.. maybe some curtains, pillow covers, baby clothes, aprons or simply mending the clothes you already have... of course we can help you too!

Interested in the fashion industry and design? Need to make the perfect alterations? Theres a place for you here as well!

All lessons are catered to exactly what you want to learn.

SPACE FOR RENT: \$15 an hour

Do you know what you're doing but you're a little nervous doing it on your own?

Do you know what you want but can't figure out how to make it happen?

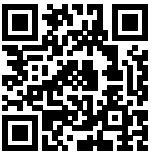

Do you have your whole plan together but you're lacking the proper tools?

Do you just need some peace and quiet to work?

Rent space in the house by the hour and while you're here you get access to those of us that are working here that day too!

Ask questions, brainstorm, rent a tool or machine.. maybe you just need an extra set of hands.

Whatever it is that you need we're going to do our best to make it happen for you.

lets meet and make it!
 I feel free to ask you how ever you prefer. Share with your friends and get com to go
 located in the Bywater by the canal with a beautiful park
 Thank you,
