QR Code Link to This Post This piece of property is what dreams are made of. Very hard to find gorgeous hilltop setting 150 ft plus in the air. Has it all from paved road frontage to a county maintained road that gets you to the top of this hill. Private secluded driveway that takes you back to the front of the hill with a cleared building spot at the bluff overlooking the countryside. Huge deer and lots of wood cock along with a variety of other animals. There are springs coming out of this hill in various places and also has a creek at the bottom of this land. Serene out in the country atmosphere and views. Living off the grid dream piece. Has county water at the road and electric to the top of the hill. Perfect place for that totally private cabin. Stand on top of this majestic hill for 5 minutes and you will be sold. Possible land contract with a minimum of 10,000 down payments of 500 a month at 7%.
