QR Code Link to This Post I want you to write an honest review of the iPhone app.  
You'll need to download a free app from AppStore, play with it and write a review in AppStore.  
Takes a few minutes. Literally.  
Two simple requirements:

1. You have to be from the US (or at least to have US Apple ID)
2. You have to have an iPhone (any model)

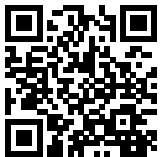

We pay \$5 per review. (paypal / venmo / cash app)

Send me a message and I'll send you all the links and instructions.
