QR Code Link to This Post Are you a great teacher--mentor and coach?  
Do you like being a big part of the community and can work with all walks of life.  
Do you have a friendly demeanor and disposition?  
Are you in college or a college graduate?  
Do you like challenges?  
Do you enjoy civic engagement  
Are you a positive role model and example to your community.  
Can you be trained to lead upwards of 100 part time --full time or temporary on-call employees?

If the answer is yes then learn if you can train like the master. I have been in the hospitality industry and having been in the staffing industry for the last 20 plus years. I want to train someone to replace me in my business model so I can focus on developing other parts of my business. Are you up for the challenge?

Come meet my team! Lets see if you would be a good fit for my business model!!

We can either meet at my office location or a local coffee shop! The choice is yours!

You will need the following:

- (2) Forms of Identification
- A Pen

Paper in which to take notes

What will be paid at the time of the training?  
Review of the DB Hospital Services Employment Manual
