compensation: negotiations

if you need car work like brakes, starters, altenators and tune ups inbox me when you get a chance to talk.

other small things also let talk asap.

This is the last chance before it gets really cold outside get your car winterized and only call me if you're serious about getting work done I have no time for back and forth emails and the last thing I need you to do is you look and see what a shop is going to charge you and I'm probably going to charge you half of that so let's get this work done before it get cold and you get stranded in the cold.

All week I'll be available to work on you cars if you got the part call me if you need a part you can pay extra and I can try to get it for you but with that being said it's Look before you guys contact me know what you want done on your car I'm not doing no head gaskets or no Major Works you can call and talk to me about it but that's
