QR Code Link to This Post Teddy is male and weighs about 35 lbs. He is neutered, microchipped, and up-to-date on shots. My grandparents feel they are too old for such a young dog and are looking for a home where he can get the exercise he needs. We would prefer a fenced in yard because he loves to run. He is 99% housebroken. He is great with other dogs and has not been around cats. There will be a re-homing fee. We will give you his things as well (his crate, food dishes, food, toys, etc.) You can email or text me if you are.
