QR Code Link to This Post Lexi is a All White Female Siberian Husky with bright Blue eyes, in need of good home. She would be considered a Large Breed Dog weighing approx. 50lbs and has not been neutered. She is an extremely hyper dog with lots of energy & loves to play. She is shy at first but will adjust when given the proper time to get use to her new home & owner. She may be food aggressive & needs time to get to know other pets but I would prefer someone who has no other pets & can give her the attention she needs.

She was born 1/1/2013 & I've had her since she was 8 weeks old, purchased from a certified Husky Breeder on 3/13/ 2013. She is up-to-date on her vaccinations & flea/tick treatments (Trifexis). She is a thick coat breed, so she will be in need of grooming (she tends to shed in the summer). There will be a re-homing fee. She comes with a large shed that she loves & her paperwork.

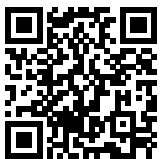

Serious inquiries only please. I'm willing to answer any additional questions you may have regarding Lexi.

Thank you for!
