QR Code Link to This Post I have some holes in my schedule coming up....so if anyone needs a fill-in guitarist, message me and we can discuss dates, sets and pay.

I am all over the place musically.....I played 70's rock for years with After Midnight, play in a country group and a wedding band currently, played 80's pop/rock with the Rusty Griswolds, and stints doing jazz, blues, surf, rockabilly, Americana, acoustic, singer/songwriter, and so on.

I am easy to get along with, prepared, sober, and will use the proper sounds and play the style for the gig.
