QR Code Link to This Post I have a tame, adult female iguana. She's really sweet, and has never bit or whipped anyone. She comes with a 6ft tall armoire that has heat, lighting and a humidifier. There is a rehoming fee of \$250 OBO. I think she's around 3 years old. They live to be 25+ years old when taken care of properly. She's a sweet heart. I just don't do much with her anymore, and her cage takes up a lot of space. I prefer her to go to someone who has iguana experience. She didn't lay eggs this year, but she has laid eggs.
