QR Code Link to This Post I'm looking for an adult female in the Twin Cities area to shave my pubic hair on an as-needed basis. I am a 44 year old, straight, single, sane, college educated, Caucasian male who works in a professional career. I don't do drugs and have clean criminal and driving records. I'm 5'9" in height and weigh 180 lbs. I manscape, but find it difficult to do a thorough job grooming myself. The per session price is negotiable if within.
