QR Code Link to This Post Beautiful Red head Female who is sober and clean. Early 30's. Smoker though. But rather healthy, a little curvy but fit. Who likes to run, read and do yoga. Looking for a friend or companion. I work a full time job but looking for a male companion. Going through some money problems any guy looking for a pretty woman to spend time with, go to movies and someone who is spiritual and is looking to always self improve themselves. Prefer that you are sober and clean and drama free. Send pics and a description of you and maybe we can spend some time together. I'm not an escort or looking for someone to be.
