QR Code Link to This Post Looking for a skilled Artist to Illustrate a graphic novel, Preferably someone who can ink and letter their own work, but is not necessary. Looking for a dark, gritty, heavily emotional style like the one below, entirely black and white (doing the red is optional). Paying by page rate, starting with a 10 or so page sample, and be Open for an expanded partnership spanning multiple project. Must be able to meet deadlines and be reliable. All experience levels welcome. Reply with examples of work, and summary of any related experience. All replies will receive a.
