It was a cold Saturday night
In which this hat went out of sight
His owner, in tears
Will buy you some beers
Should you find it before his home flight

University Club on summit ave
Was it's last known location to have
Due to its shade of green
It's not easily seen

And nothing else rhymes well with ave...but seriously it's a pretty sentimental hat that's been a faithful companion all around the world over the course of a decade. If you spot it, I will buy you a few beers or other comparable reward (\$\$) and be very.
