QR Code Link to This Post We have an opening for a couple on our off-grid farm retreat in Ka'u beginning Nov 24 through Dec 1st. Some of the work we will be doing is planting gardens, permaculture landscaping, painting and other odd jobs. We ask for 8 hours of work each week, mostly unsupervised.

We are looking for a couple (single person if it's a perfect fit) that is stable and mentally sound with a good natured spirit and sense of humor! This is a healing sanctuary, therefore alcohol and drugs are NOT permitted, nor is commercial tobacco. You must be healthy and fit with a desire for personal growth and wellness.

We offer a private room in our magical and peaceful retreat with large comfortable beds (with pillows, linens and towels) that is off the grid with lights and plugs for charging devices, shared bathroom with flush toilet, outdoor bamboo hot showers and basic glamping style kitchen to prepare your food (ice coolers, barbecue and propane burner for cooking). There is food growing on the land that we will share with you (fruit and veg), however, we do not provide food or meals so you will need to have a budget to fund your food expenses. Living is simple and sweet.

We are very close to the magical green sand beach, black sand beach and other secret spots we can share :) Under 1 hour to Volcanoes National Park. The rent is \$300/month per couple with 8 hours a week seva/exchange or \$475/month if you would like to include a monthly private intuitive coaching session as well as energy healing session per person per month. This is a wonderful opportunity to immerse yourself in a healing off-grid, sustainable lifestyle!

Please texts only. No responses to emails. Thank you.!!
