QR Code Link to This Post Ladies, looking to pick up some extra cash for the holidays? Are you free spirited and not shy? I have a limited number of openings for adult modelling.

You must be over 18, have plenty of personality, and be willing to pose nude. Sessions last just about an hour and you can negotiate your price. There is no one body type or race, but you must be brimming with personality.

This is a professional gig and you'll be photographed by a man that has been in the business for 4 decades. Can do tfp (time for pictures) if you are building your portfolio or a straight pay, your choice.

If interested send me a pic of yourself along with your contact.
