QR Code Link to This Post If you are between the age of 25 and 50, you are invited to participate in a research study conducted by SalesBrain, a well-known neuromarketing company. The study will measure your responses while watching ads, pictures and answering a few questions.

Small sensors will be attached to your fingers and on your scalp to monitor sweat activity and nerve impulses. The devices are non-invasive and present no harm to your health.

You will earn \$80 for completing this experiment, which includes answering multiple short surveys. You are eligible if you do not suffer from irregular heartbeats or excessive sweating. You will spend roughly 45 minutes to 1 hour in a professional office located in Waikiki.

To be considered for the study, please complete this short survey:
